Re: Andy's Angels Benefit Dinner 2020 Canceled and will be rescheduled for April 2021

Dear Friends,

We hope you are all healthy, safe and continuing to do as well as possible during this very challenging time. Businesses and personal lives have had to endure much over the past several weeks as we have confronted this pandemic, and unfortunately, the struggle is far from over.

Recently, we made an announcement to postpone the Benefit Dinner until October 3, 2020. Since that time, there have been additional changes in Michigan due to COVID-19; and we feel it would be best for all to cancel this year's event. We will not be having the 2020 Andy's Angels Benefit Dinner. Andy's Angels plans to hold our next Benefit in April of 2021, as we have for the past seven years. We are forever appreciative of the tremendous support you have all shown our organization over the years; and it is because of such a strong community, we have been able to support so many individuals during their road to recovery.

All proceeds for for Andy's Angels Benefit Dinner goes into fighting opioid addiction and your ongoing support helps make this possible and we are truly grateful for your generosity. If you have already purchased a ticket or sponsorship via mail, we will be contacting you regarding reimbursement. If you purchased a ticket or sponsorship through Eventbrite, you will have the option to be refunded for your ticket, or donate the funds to Andy's Angels where 100% of your donation goes towards fighting opioid addiction.

If you do not hear from an Andy's Angels representative or Eventbrite, please email [RSVP@andysangels.net](mailto:RSVP@andysangels.net) so we can discuss your reimbursement options. We know these are difficult times, but if you would like to make a donation to our cause, regardless of the event being canceled you are welcome to do so do by visiting our website at [andysangels.net/donate/](https://andysangels.net/donate/). Rest assured all monetary donations are used to further our work in the community.

This pandemic will surely test our resolve over the course of the next weeks and even months, and though it will be a very difficult time in many ways, may we forever appreciate the closeness of our families, friends and neighbors.

Stay safe, stay healthy and God bless all of you.
